

We have the kampers... now we **Desperately NEED YOU** to help make their dreams of an amazing week at kamp come true!

Health Directors/aka “Kamp Nurses” Week of July 15-20, 2018

- **About Vanderkamps:**
 - Kampers: Boys and girls, ages 8-14 years
 - This week’s theme is Adventures in Middle Earth... with lots of drama, role play games, live action role play, and outdoor skills. Come play alongside wizards, elves, and dwarves!
 - This year’s Christian curriculum for Morning Watch, daily Bible Study, and Vespers is literally, “Beyond Belief!” Christian education elements of kamp are intentionally designed to be engaging for all kampers wherever they are on their faith journeys and no matter their level of exposure/participation in a formal church setting... or not.
 - Our philosophy is that kamp costs what families can afford... providing an opportunity for ALL youth to experience and enjoy summer kamp... including those who might not otherwise be able to.
 - We aspire to be a living example of Christian community: open and welcoming of ALL youth, staff, and volunteers. We accept kampers and staff of all abilities who do not require specialized medical treatment or supervision.
- **Dates/Times**
 - Arrive Sunday, July 15 by 1 pm to be ready for kampers to check in between 3-5 pm.
 - Depart Friday, July 20 by 5:30 pm (Of course, you’re welcome to stay for the Family BBQ before you go!)
- **Eligibility Requirements:**
 - LPN, RN, RNP,PA, or DR currently licensed in New York State
 - Current First Aid/CPR (We can provide FREE re-certifications! We have 3 American Red Cross Certified Trainers on staff.)
- **Responsibilities**
 - Must reside on site during assigned week(s). Private accommodations provided.
 - Greet/screen kampers at check-in and secure medications brought to kamp.
 - Oversee self-administration of kamper and staff medications taken during kamp.
 - Assess and provide first-aid as needed or refer to advanced medical care (Note: We have EMT residing on site year round and all Counselors certified in Wilderness First-Aid, Adult/Child/Infant CPR/AED. Northshore Ambulance is located just down the road ~ 5 minutes from kamp.)
 - Record medications and treatment via online health record management database (CampDoc).
- **Benefits**
 - Salary (up to \$700/week maximum)
 - Children/Grandchildren attend at reduced rate or FREE (negotiable)
 - A rewarding, fulfilling, and FUN way to spend a week!!!
 - Many opportunities to participate/enjoy many kamp activities throughout the week
 - The satisfaction of knowing you made a tremendous difference in the lives of our kampers and staff by making this week possible!
